Entry Requirements To enrol on this course, you must have already completed a beginner to drawing and painting or introduction to Acrylics course with OCSW.

Course Intent Whether you are a beginner or more experienced learner you will be supported to extend your knowledge, learn new techniques, choose a range of subjects for your art, explore the work of different artists and work towards developing your own unique style.

This progression class will be differentiated by the tutor to allow you to develop, consolidate and extend skills at a level appropriate to your previous experience of using acrylics as a medium.

How will the course be delivered? You will be working with your tutor and other students on a weekly basis, face to face.

Will I need to study or practise outside the classroom? It is always useful to practice your skills between sessions. Your tutor may set some home learning for you to practice.

How will I know I'm making progress? Your tutor will set objectives for each session and give feedback on how you are progressing. You will agree personal targets as part of your Individual Learning Plan (ILP), and you will review your targets throughout the course to check your own progress.

What will I need for the course? There are additional resources required for the course at an approximate cost of £20. Information will be provided at course induction.
