**Entry requirements** This course is for complete beginners.

**Course Intent** This is an introductory course to Spanish, designed to allow you to communicate in everyday situations when travelling to Spanish-speaking countries.

You will cover the following topics:

- Booking a hotel room
- Asking about specific facilities
- Reporting simple problems in a hotel
- Shopping for food and drink
- Stating quantities

You will develop your use of the conditional 'would like' in Spanish in the context of hotels and shopping. You will also be able to ask about hotel facilities. You will use specific quantities when shopping plus general amounts (e.g., 'a bit more'/'a bit less') in Spanish.

**How will the course be delivered?** You will be working with your tutor and other students on a weekly basis, face to face.

**Will I need to study or practise outside the classroom?** It is always useful to practice your skills between sessions. Your tutor may set some home learning for you to practice.

**How will I know I'm making progress?** Your tutor will set objectives for each session and give feedback on how you are progressing. You will agree personal targets as part of your Individual Learning Plan (ILP), and you will review your targets throughout the course to check your own progress.

**What will I need for the course?** There are additional resources required for the course at an approximate cost of £10. Information will be provided at course induction.
