Craft unique and beautiful wooden decorations to add a personal touch to your Christmas tree in this fun and festive workshop.

Course Description: Unleash your creativity and learn essential woodworking skills in this 3-hour workshop designed to help you create handcrafted Christmas tree decorations. Our experienced tutor will guide you through the selection of suitable wood, cutting techniques using safe practices, and basic woodworking methods. You'll have the opportunity to design and create a set of personalised decorations to take home and cherish for years to come.

What will I learn?

- Wood selection for crafting decorations
- Safe use of woodworking tools (e.g., hand saws, sanders)
- Cutting techniques for creating festive shapes
- Basic woodworking methods (e.g., sanding, finishing)
- Decorating and personalising your creations

How will I be assessed?

This course is focused on practical skills development and enjoyment. Your learning will be assessed formatively through observation of your techniques and progress throughout the workshop.

Who is this course for?

This course is perfect for anyone who enjoys crafting and wants to create unique and personalised Christmas decorations. No prior woodworking experience is necessary.

Who is your target audience?

- People interested in learning basic woodworking skills
- Crafters looking for festive inspiration
- Volunteers or carers wanting to create handmade gifts

Progression Opportunities:

After completing this course, you could explore further woodworking techniques through joinery courses or furniture restoration workshops. You could also delve into other craft areas like woodturning or woodcarving.

Career or Job Enhancement Pathways:

This course can be a stepping stone towards various creative careers or job enhancements, including:

- Woodworking craftsperson
- Christmas decoration designer
- Artisan maker at craft fairs
- Therapist/activity leader using crafts in a care setting

How do I enrol?

If you are paying the full fee, the quickest way to enrol is online at www.oucoursesouthwest.co.uk, simply create an account and select enrol now. Alternatively, you will need to speak to one of our customer service team on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).

It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
