Learn the fundamentals of DJing in this fun and informative workshop.

Course Description:

Have you ever dreamt of being the life of the party behind the decks? This beginner-friendly Introduction to DJing Workshop is your first step to making that dream a reality! Get hands-on with industry-standard DJ equipment and software, learning how to beatmatch, mix tracks seamlessly, and create your own unique sets. Our expert instructors will guide you through everything you need to know, from essential DJ techniques to building your music library. This workshop is perfect for anyone who wants to explore the exciting world of DJing, whether you're looking for a new hobby, a creative outlet, or even a potential career path.

What will I learn?

- The basics of DJ equipment and software
- Beatmatching and mixing techniques
- Track selection and building a music library
- Essential DJ skills like phrasing, EQing, and transitioning
- Putting it all together: Creating your own DJ sets

How will I be assessed?

This course will use a combination of formative and summative assessments:

- **Formative:** Practical exercises throughout the workshop will provide opportunities for feedback and improvement.
- **Summative:** Participants will complete a short DJ set at the end of the workshop, showcasing their newly acquired skills.

Who is this course for?

This course is perfect for anyone with an interest in DJing, regardless of experience level. Whether you're a complete beginner or looking to brush up on your skills, this workshop will provide you with a solid foundation in the fundamentals of DJing.

Target Audience:

People interested in working in the sector, volunteers or carers.

Progression Opportunities:

After completing this workshop, you can progress your DJing skills by:

- Enrolling in a more advanced DJing course
- Practising regularly and honing your craft
- Participating in DJ competitions or open mic nights
- Networking with other DJs and industry professionals

Career or Job Enhancement Pathways:

This course can be a stepping stone towards a variety of careers in the music industry, such as:

- Mobile DJ

How do I enrol?

If you are paying the full fee, the quickest way to enrol is online at www.oucoursesouthwest.co.uk, simply create an account and select enrol now. Alternatively, you will need to speak to one of our customer service team on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
