Elevate your drawing skills and master advanced techniques in a dynamic and supportive environment.

Course Description:

Ready to push your artistic boundaries? This intensive 18-week Drawing Advanced course is designed to refine your existing skills and equip you with advanced drawing techniques. Ideal for experienced artists, this course delves into complex concepts like anatomy and perspective, explores diverse approaches to create expressive drawings, and provides opportunities for experimentation with various media. Through personalised feedback, group critiques, and expert guidance, you'll gain the mastery and confidence to take your artwork to the next level.

What will I learn?

Weeks 1-4: **Deepen Your Foundation:** Refine your understanding of anatomy for life drawing, explore advanced perspective techniques like foreshortening, and master complex value scales for nuanced light and shadow.

Weeks 5-8: **Mastering Techniques & Experimentation:** Explore advanced drawing techniques like gesture drawing and negative space composition. Delve into diverse media like charcoal washes, inks, and mixed media for expressive results.

Weeks 9-12: **Life Drawing & Thematic Exploration:** Focus on life drawing, mastering figure proportions and capturing movement. Introduce chosen thematic approaches like portraiture or landscape drawing (optional).

Weeks 13-16: **Advanced Media & Artistic Expression:** Explore advanced techniques in your chosen media, pushing boundaries and refining your artistic voice. Experiment with unconventional materials and explore personal projects.

Weeks 17-18: **Portfolio Development & Beyond:** Create a final portfolio piece showcasing your artistic growth and technical mastery. Explore resources for continuous learning in your chosen area of specialisation.

How will I be assessed?

Formative: Weekly projects, technique explorations, group critiques, and one-on-one feedback sessions will allow you to experiment, receive constructive criticism, and refine your advanced skills.

Summative: A final portfolio piece demonstrating your mastery of advanced drawing techniques, innovative use of media, and a cohesive thematic exploration in your chosen area (life drawing, portraiture, landscape, etc.).

Who is this course for?

This course is designed for experienced artists with a strong foundation in drawing who are eager to refine their skills and explore advanced concepts. (80 characters)

Progression Opportunities:

After completing this course, you can pursue specialisations within drawing (e.g., life drawing mastery, figure drawing intensive), delve into thematic approaches (e.g., advanced portraiture, detailed landscapes), or explore other artistic disciplines like painting or printmaking. Consider pursuing further studies in fine art programs offered by universities across the UK.

How do I enrol?

If you are paying the full fee, the quickest way to enrol is online at www.oucoursesouthwest.co.uk, simply create an account and select enrol now. Alternatively, you will need to speak to one of our customer service team on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
