Unleash your creativity with this fun and accessible introduction to Gelli Printing, a unique monoprinting technique.

## Course Description:

Join us on this exciting 4-week Gelli Printing Saturday Short course and discover the world of monoprinting! Perfect for beginners, this course will equip you with the skills and knowledge to create beautiful and unique prints using a Gelli Plate.

Our experienced tutor will guide you through a variety of techniques, from basic layering and stencilling to exploring textured materials and mark-making. You'll experiment with different colours and patterns, learning how to manipulate the Gelli Plate to achieve stunning results.

## What will I learn?

- Week 1: Introduction to Gelli Printing - Explore the basic principles of Gelli Printing and create your first prints using acrylic paints and stencils.
- Week 2: Layering and Texture - Learn how to layer colours and textures to create depth and dimension in your prints. Experiment with different materials like leaves, fabrics, and bubble wrap.

- Week 3: Advanced Techniques - Discover further creative possibilities with techniques like ghost printing and monoprinting with inks.
- Week 4: Project Development - Develop your own unique Gelli prints, incorporating the skills learned throughout the course.

### **How will I be assessed?**

This course is designed to be fun and informative, with an emphasis on experimentation and exploration. Your progress will be monitored through continuous formative assessment, with feedback provided throughout the sessions. You'll be encouraged to document your learning journey and showcase your final prints in a relaxed and supportive environment.

### **Who is this course for?**

This course is open to anyone interested in exploring printmaking and unleashing their creativity. No prior experience is necessary, making it perfect for beginners or those looking to refresh their skills.

### **Who is your target audience?**

This course is ideal for learners hoping to develop their artistic skills and discover a new and exciting printmaking technique. Whether you're a hobbyist or looking to incorporate printmaking into your mixed media projects, this course will provide you with the tools and knowledge to get started.

### **Progression Opportunities:**

After completing this course, you can further develop your Gelli Printing skills by taking a further course with us, or explore other artistic areas across our offer. Access to HE courses are also available.

### **Career or Job Enhancement Pathways:**

This course can be a stepping stone towards various creative careers, including:

- Printmaker
- Surface Pattern Designer
- Textile Artist
- Illustrator

**How do I enrol?**

If you are paying the full fee, the quickest way to enrol is online at [www.oucoursesouthwest.co.uk](http://www.oucoursesouthwest.co.uk), simply create an account and select enrol now. Alternatively, you will need to speak to one of our customer service team on 01752 660713.

**How will the course be delivered?**

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

**Will I need to practise outside the classroom?**

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

**How will I know I'm making progress?**

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

**What will I need?**

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

**Please note:**

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
