Entry requirements	This course is suitable for beginners.
Course Intent	In this course you will begin to look at how coding can be used, focusing on the use of Python. You will begin to write and use short codes and explore the various functions of coding.
How will the course be delivered?	This course will be delivered through tutor demonstrations and practical activities.
Will I need to study or practise outside the classroom?	It is always useful to practice your skills after a session.
How will I know I'm making progress?	At the beginning of each session, your tutor will share with you the objectives of the day, which will give you an opportunity to think about your individual aims for the session. At the end of the session, you will have time to share your experience and reflect on what you learned
What will I need for the course?	Please bring a pen and notepad, a memory stick or access to cloud storage will also be useful.
Progression	Look out for information regarding follow on courses. Learning Advisers will be happy to provide you with information on your next steps after this course. Visit our website at www.oncoursesouthwest.co.uk or contact us on 01752 660713 to discuss or to make an appointment.
Please note	Most courses attract a subsidy from the Education and Skills Funding Agency and can be used to match funding for ESF. It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered. Room numbers are subject to change - please check when you arrive at the venue.
