Bring your imagination to life! This term-long course at Highbury will introduce SEND learners to the exciting world of stop and start animation. Other digital projects can be explored throughout the course.

Course Description:

Calling all budding animators! This fun and engaging course, designed specifically for SEND learners, will introduce you to the magic of stop and start animation. Over the term, you'll explore the basics of animation using storytelling, simple materials, and easy-to-use technology. You'll learn how to create characters, build sets, and bring your stories to life frame by frame. This course is a fantastic way to develop creativity, communication skills, and problem-solving abilities in a supportive and inclusive environment. Different digital projects will be covered to suit the individual needs and interests of the group.

What you may learn?

- Storyboarding basics: Develop ideas and plan your animation sequences.
- Character creation: Design and build your own animated characters using fun materials.
- Construct simple yet creative backdrops for your animations.
- Stop and start animation techniques: Learn how to capture images and create the illusion of movement.
- Using technology: Explore user-friendly animation apps to bring your creations to life.
- A range of digital projects.

How do I enrol?
The quickest way to enrol is online at www.oncoursesouthwest.co.uk, simply create an account and select 'Enrol now'. Alternatively, if you have any questions, please call our friendly customer service team on 01752 660713.

How will the course be delivered?
This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?
You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?
During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?
Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:
Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).
It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
