Course Information Sheet

Understanding Technology Enabled Care Level 2 Certificate

Course Description:

Embrace the future of care! Use technology to enhance care delivery and support individuals more effectively.

Make a difference with tech! qualification empowers you to understand and utilise technology in care settings. You will explore a range of assistive technologies, communication tools, and digital health solutions.

What will I learn?

- Introduction to technology-enabled care, assistive technologies for various needs, and ethical considerations.
- Learning about digital health records, data management systems, and using technology for medication management.
- Understanding how technology can promote social connections, combat isolation, and support mental well-being.

Who should join this course?

This course is ideal for:

- Healthcare assistants and support workers
- Social care workers and care assistants
- Activity coordinators and occupational therapists
- Anyone interested in using technology to improve care delivery

Entry Requirements

Previous level 1 maths and English achievement or demonstrating the ability to work at these levels is recommended

Progression Opportunities:

This course can serve as a stepping stone to further qualifications in health and social care,

such as Level 3 diplomas in specialist areas like digital healthcare or assistive technology.

How do I enrol?
To apply for this course online at www.oncoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713. You will be invited to undertake an initial assessment to ascertain your levels of English and maths prior to entry on this course of study.

How will the course be delivered?
This is an E-Learning course and is exclusively delivered via an online learning, self-study programme. You will be enrolled for an online learning platform and will work independently through the units and materials provided.

Will I need to practise outside the classroom?
This is an E-learning course, and your study pattern is self-managed. A commitment of 2 - 3 hours per week is suggested to enable successful completion of the course within the timescale of 20 weeks.

How will I know I'm making progress?
You will receive regular feedback from an assessor following completion and submission of individual units.

What will I need?
A laptop or desktop computer with internet access is required for completion of coursework and home learning

Please note:
Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).
It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
