Before you enrol on this course Please speak to one of our friendly learning advisers who can support you to enrol on 01752 660713. This course is not available for online enrolment. You will need to take an online initial assessment to understand your levels of English and Maths prior to entry on this course.

Entry requirements This course is suitable for those who have completed the Introduction and Progression maths courses. This will allow us to recommend the right course for you based on your current ability and existing qualifications.

Course intent English is for everyone! It is rewarding, engaging, and essential in equipping you with skills to reach your future aspiration and destination, whatever they may be. We will have an English class that will suit you, and our supportive tutors will help you achieve skills and confidence in using English for reading, writing and speaking.

You will:

1. Develop your reading, writing and speaking skills.
2. Be able to write clear sentences.
3. Be able to use punctuation correctly.
4. Develop your communication skills for life and the workplace.

How will this course be delivered? You will be working with your tutor and other students on a weekly basis, face to face.

Will I need to study or practise outside the classroom? Formal home learning will be set on a regular basis and feedback will be given to help you improve. There is a considerable amount of work for you to do in your own time to ensure you are successful in achieving this qualification. Please allow a minimum of two hours per week for extra study.

How will I know I'm making progress? Your tutor will set objectives for each session and give feedback on how you are progressing. You will agree personal targets as part of your Individual Learning Plan (ILP), and you will review your targets throughout the course to check your own progress.

What will I need for the course? You will need either a computer with Google Chrome or a Smart device (phone/tablet) with Google Chrome and the Google Meet apps installed and access to WIFI.

There are additional resources required for the course at an approximate cost of £20. Information will be provided at course induction.

Please bring a pen and notepad to each session.

Progression

Look out for information regarding follow on courses.
