Course Description:

Gain a foundational understanding of health and safety principles with our 1-day Health and Safety Awareness Level 1 Award qualification, designed to equip you with essential skills for a safe working environment.

This qualification offers a comprehensive introduction to the key principles of workplace health and safety. Perfect for anyone looking to enhance their knowledge of health and safety practices. Participants will learn about the importance of maintaining a safe working environment, identifying potential hazards, and understanding their own responsibilities.

What the course will cover:

Introduction to Health and Safety:

- Understanding the importance of health and safety in the workplace
- Overview of health and safety legislation and regulations

Identifying Hazards and Risks:

- Common workplace hazards
- Techniques for hazard identification and risk assessment

Afternoon Session:

- Personal Responsibilities and Safe Practices
- Roles and responsibilities of employees and employers
- Safe working practices and personal protective equipment (PPE)

Emergency Procedures and Reporting:

- Procedures for responding to accidents and emergencies
- How to report health and safety incidents

Who should join this course?

This course is suitable for anyone, including new employees, individuals looking to refresh their knowledge, and those seeking to understand basic health and safety principles.

Our target audience includes employees across various sectors, new hires, individuals entering the workforce, volunteers, apprentice's and anyone with an interest in workplace safety.

Entry Requirements

There are no specific entry requirements for this qualification.

Progression Opportunities:

Upon completion, learners can pursue further qualifications such as the Level 2 Award in Health and Safety in the Workplace, Level 2 Award in Risk Assessment, or specialised courses in specific health and safety topics.

How do I enrol?

To apply for this course online at www.oncoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

How will the course be delivered?

You will be working with your tutor and other learners face to face.

There will be mandatory written assignments to achieve this qualification.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?

Your tutor will set objectives for the session and give feedback on how you are progressing. You will agree personal targets as part of your Individual Learning Plan (ILP), and you will review your targets and the start and end of the session.

What will I need?

Please bring a notepad and pen, and a file for your coursework and handouts.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
