

Course Information Sheet

Maths Functional Skills

MATHS

[OCSW MATHS Maths Functional Skills \(oncoursesouthwest.co.uk\)](http://oncoursesouthwest.co.uk)

This 18-week course will improve your maths skills and help you achieve a qualification. You'll gain practical knowledge of maths used in everyday situations.

- Numbers, whole numbers, fractions, decimals and percentages
- Measure shape and space
- Handling information and data

What will I learn?

The course covers a variety of essential maths skills used in daily life, including working with numbers, measurements, and data.

How will I be assessed?

Maths assessments will be completed according to your level of study.

Who is this course for?

This course is ideal for anyone who wants to improve their maths skills.

Who is your target audience?

Anyone wanting to improve maths skills

Progression Opportunities

This course can help you progress to:

- Entry Level 2
- Entry Level 3
- Level 1
- Level 2
- GCSE maths

Career or Job Enhancement Pathways

This course can be a stepping stone towards careers such as:

- Employment in various industries
- Apprenticeships

How do I enrol?

To apply for this course online at www.oucoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713. You will be invited to undertake an initial assessment to ascertain your levels of English and maths prior to entry on this course of study.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
