## Summer Treasure Hunt

**Course Summary:** Embark on an adventure with your child, solving puzzles and learning new skills in our exciting Summer Treasure Hunt!

**Course Description:** Calling all explorers! Join us for a Summer Treasure Hunt, an interactive course designed for parents and children to learn and bond together. Through a series of creative challenges and puzzles, you and your child will develop problem-solving skills, communication, and teamwork in a fun and summery environment.

### What will I learn?

- **Decoding secrets and following clues:** Learn basic code-breaking techniques and map reading skills to decipher clues and navigate your treasure hunt adventure.

### How will I be assessed?

- **Formative:** Participation in challenges, teamwork, and creative problem-solving will be continuously assessed throughout the week.
- **Summative:** Completing the final treasure hunt challenge will demonstrate acquired skills.

### Who is this course for?

This course is designed for parents and carers and their children, fostering a fun and engaging opportunity for families to learn and bond together.

### Progression Opportunities:

After completing the Summer Treasure Hunt, families can explore more problem-solving activities and code-breaking challenges online. Additionally, many libraries and community centres host coding clubs and workshops that children can participate in to delve deeper into this field.

**Calling all families! Join our week-long Summer Treasure Hunt, where parents and children work together to solve puzzles, develop problem-solving skills, and bond through creative challenges. Learn basic code-breaking and map reading, navigate clues, and embark on a summer adventure! This course is perfect for families who want to have fun and learn together**

#### **How do I enrol?**

To apply for this course online at [www.onsourcesouthwest.co.uk](http://www.onsourcesouthwest.co.uk) and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

#### **How will the course be delivered?**

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

#### **Will I need to practise outside the classroom?**

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

#### **How will I know I'm making progress?**

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

#### **What will I need?**

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.
