Entry requirements There are no specific requirements for this short course.

On Course South West will be supporting Plymouth residents, aged 16 and over, to upskill. The SMART SKILLS programme is funded by the European Social Fund. We can work with individuals, including the self-employed and unemployed who are in receipt of benefits.

Plymouth based employers and their staff can also benefit from this offer. If you are employed we will require evidence of your employer's support. There will be paperwork to complete to access the funding along with proof of your eligibility to work and live in the UK. Please use the attached form to get in touch we would love to hear from you.

Course Intent Gaining confidence to go back to work or not been in employment before? This workshop will look at developing the confidence for the next steps into employment.

How will the course be delivered? You will be working with your tutor and other students online on Microsoft Teams. This will involve a video meeting using the Microsoft Teams app, with supporting learning resources in the virtual classroom. We will supply you with a login and password when you enrol, and we can provide telephone support to help you to get into the virtual classroom on your computer.

Will I need to study or practise outside the classroom? It is always good to practise your skills, your tutor may encourage home research.

How will I know I am making progress? Your tutor will set objectives for the session and give feedback on how you are progressing. You will agree personal targets as part of your Individual Learning Plan (ILP), and you will review your targets and the start and end of the session.

What will I need for the course? Please bring a pen and notepad to make notes.

Progression
