Craft a whimsical miniature world within a jar, perfect for imaginative play or a unique home décor piece.

Course Description:

Spark your imagination and unleash your creativity with our enchanting Fairy Jar Creations workshop! This one-day session is perfect for parents and children to learn the art of crafting captivating miniature worlds within a jar. You'll be guided through selecting natural elements, miniature figurines, and decorative touches to design a one-of-a-kind fairy haven. This magical workshop is a delightful way to bond with your child, fostering creativity, storytelling, and fine motor skills.

What will I learn?

- Selecting a suitable jar and base materials.
- Techniques for arranging natural elements like moss, twigs, and pebbles.
- Using miniature figurines and decorative accents to create a scene.
- Safe handling and application of glues and adhesives.

How will I be assessed?

This workshop focuses on participation and enjoyment. Our instructor will provide formative feedback throughout the session, offering guidance and suggestions to help you create your perfect fairy jar.

Who is this course for?

This course is designed for parents and carers and their children. It's a perfect family activity for anyone who enjoys crafting and imaginative play.

Progression Opportunities:

After completing this workshop, you can explore more advanced terrarium building techniques, or delve into miniature figurine painting to further customise your creations. Numerous online resources and local craft stores offer a wealth of materials and inspiration to continue your miniature world-building journey.

Career or Job Enhancement Pathways:

This workshop can be a stepping stone towards careers in:

- Prop Making: The skills developed in crafting miniature scenes can translate to creating props for film, theatre, and photography.
- Model Making: The techniques used in this workshop share similarities with architectural and product model making.
- Event Design: The ability to create visually engaging miniature worlds can be valuable in event planning and set design.
- Arts & Crafts Education: The knowledge gained from this workshop can be used to teach others about miniature crafting and imaginative play.

How do I enrol?

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).

It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
