Unleash your inner artist and create a fantastical 3D mask together as a family, inspired by your favourite characters!

Course Description:

Does your child dream of being a superhero or a mythical creature? In this exciting one-day workshop, led by our experienced costume design tutor, families will learn the basics of mask-making. You'll be guided through the process of creating a spectacular 3D mask, similar to those seen in theatrical productions, theme park mascots, or cosplay costumes. This is a fantastic opportunity for parents and children to bond over a creative activity, develop their artistic skills, and bring their imaginations to life!

What will I learn?

- Techniques for shaping and sculpting a 3D mask base using lightweight materials.
- Decorating your mask with paint, fabric, glitter, and other embellishments.
- Adding details and features to bring your mask to life.

How will I be assessed?

This is a fun, hands-on workshop with a focus on creativity and enjoyment. There are no formal assessments, however, our tutor will be on hand to provide guidance and support throughout the session.

Who is this course for?

This course is perfect for families with children of all ages who are interested in art, craft, and creating something unique, aimed at families and parents/carers who want to enjoy a fun and creative activity with their children.

Progression Opportunities:

After completing this workshop, families might be interested in exploring other creative courses such as:

- Costume Design
- Prop Making
- Special Effects Makeup
- Life Drawing and Sketching

Career or Job Enhancement Pathways:

This workshop is a great introduction to some of the skills used in the creative industries. It could be a stepping stone to careers such as:

- Costume Designer
- Theatre Technician
- Set Designer
- Special Effects Artist

How do I enrol?

To apply for this course online at www.oucoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
