Explore the wonderful world of insects with your child in this exciting one-week summer bug hunt course!

Course Description:

Join us on a summer adventure where children and parents will learn all about the fascinating world of bugs! This bug hunt course is a fun and educational program designed to get families outdoors, exploring nature, and discovering the creepy crawlies that live in our backyards.

What will I learn?

This one-week course is packed with engaging activities planned for each day:

Introduction to Bugs - Learn about different bug types, their habitats, and their importance in the ecosystem. Create bug shelters and embark on your first exciting bug hunt!

How will I be assessed?

This course is designed to be a fun and informative experience for parents and children. There are no formal assessments, but formative assessments will be done through observations and participation in activities.

Who is this course for?

This course is perfect for parents and carers who want to spend quality time with their children outdoors, learning about nature. It's ideal for children curious about the world around them.

Progression Opportunities:

This course can be a stepping stone to further exploration of the natural world. Parents can look for programs on:

- Wildlife identification
- Animal conservation
- Gardening and ecology

Career or Job Enhancement Pathways:

This course can spark an interest in careers related to:

- Entomology (the study of insects)
- Ecology
- Environmental science
- Park ranger or wildlife biologist

How do I enrol?

To apply for this course online at www.oucoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
