This fun, one-week course gets families crafting vibrant summer flowers together – no sewing required!

Course Description:

Calling all budding artists! Join us for a delightful one-week course where families can unleash their creativity and create a stunning bouquet of summer flowers – all without needing a needle and thread!

This engaging course is perfect for parents and carers to bond with their children while exploring the world of crafting. Using readily available materials, you'll learn simple techniques to transform everyday items into beautiful blooms.

The course is designed to be interactive and enjoyable for all ages, fostering teamwork and a sense of accomplishment. It's a fantastic way to spend quality time together and create lasting memories while learning a new skill.

What will I learn?

Introduction to No-Sew Flowers – Explore a variety of materials like colourful paper, coffee filters, and fabric scraps that can be transformed into beautiful blooms. Learn basic techniques like folding, cutting, and layering to create stunning flower shapes.

How will I be assessed?

This course fosters a relaxed and supportive learning environment, with formative assessments happening throughout the session. The instructor will provide continuous feedback and guidance to ensure everyone feels comfortable progressing at their own pace. By the end, families will create their own bouquet of no-sew summer flowers, serving as a summative assessment that showcases both their creativity and the techniques they've learned.

Who is this course for?

This course is designed for parents and carers and their children of all ages, making it perfect for families who are looking for a fun and engaging way to spend time together while learning a new creative skill.

Progression Opportunities:

After completing this course, families can explore more advanced no-sew crafting techniques or venture into other creative areas like sewing, painting, or jewellery making. Numerous online tutorials and resources are available, and libraries often offer craft workshops and clubs.

Career or Job Enhancement Pathways:

While this course is primarily for enjoyment, the skills learned can be a stepping stone towards various creative careers or hobbies. Here are some potential pathways:

- **Floristry:** This course can spark an interest in floral design, leading to further studies in floristry or event decoration.
- **Arts and Crafts Education:** The experience of guiding children through creative projects can be valuable for those considering a career in art or craft education.
- **Freelance Craft Business:** The ability to create unique and beautiful crafts can open doors to selling creations online or at local markets.
- **Upcycling Advocate:** Learning to transform everyday materials into something new promotes sustainability and upcycling, which is a growing trend.

How do I enrol?

To apply for this course online at www.ourcoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
