Craft a magical miniature dwelling for fairies in this fun and creative workshop for parents and children.

Course Description:

Ever dreamed of building a home for a tiny faerie? In this enchanting workshop, parents and children will work together to design and construct a whimsical fairy house using natural materials. Spark your imagination and explore the wonders of miniature creation, using twigs, leaves, pebbles, and more to craft a one-of-a-kind abode. This delightful session is perfect for families looking for a unique bonding experience that fosters creativity, resourcefulness, and a love for the natural world.

What will I learn?

- Design principles for miniature structures
- Techniques for working with natural materials
- Creative problem-solving and resourcefulness
- Collaboration skills

How will I be assessed?

This workshop is designed to be a fun and stress-free learning experience. Formative assessment will take place through observation of participation and collaboration. The completed fairy house will serve as a summative assessment of the skills learned.

Who is this course for?

This course is perfect for parents and carers and their children. No prior experience is necessary, just a love of imagination and the outdoors!

Progression Opportunities:

This workshop is a wonderful introduction to a variety of creative disciplines such as sculpture, design, and working with natural materials. Participants who discover a passion for miniature creation can explore further through online tutorials, specialist books, or by enrolling in more advanced courses on model making or 3D design.

Career or Job Enhancement Pathways:

While this workshop is primarily for fun, the skills learned can be stepping stones towards various creative careers. These may include:

- Set design for film, television, or theatre
- Model making for architectural or engineering firms
- Crafting miniature props for games or movies
- Working as a florist or event planner with a focus on creating unique displays

How do I enrol?

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).

It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
