Build a beautiful bird box for your garden in this fun, family-friendly workshop!

### Course Description:

Have you ever dreamt of attracting more feathered friends to your garden? This exciting one-day workshop is the perfect way to spend quality time with your children while creating a welcoming haven for local birds.

In this hands-on session, you and your child will be guided by an experienced tutor through the process of building a sturdy and stylish bird box. Learn essential woodworking skills like measuring, cutting, and assembling, all while having a blast! We'll provide all the necessary tools and materials, so you can focus on creating a masterpiece for your garden.

### What will I learn?

This one-day workshop will cover:

- Understanding different bird breeds and their nesting needs
- Choosing the right materials for a bird box
- Safe handling of basic woodworking tools
- Following a building plan and instructions
- Putting the finishing touches on your bird box (painting, decorating)

### How will I be assessed?

This course is designed to be fun and informative, with a focus on practical learning. There are no formal assessments; however, the instructor will provide formative feedback throughout the workshop to ensure everyone is on track.

### Who is this course for?

This course is perfect for parents and carers with children of all ages (parental supervision required for younger children). No prior woodworking experience is necessary!

### **Progression Opportunities:**

After completing this course, you and your child might be interested in exploring more woodworking projects. There are numerous online resources and [insert name of a relevant national organisation] courses available to take your skills to the next level.

### **Career or Job Enhancement Pathways:**

This course is a great introduction to practical skills and can be a stepping stone towards careers in:

- Carpentry
- Joinery
- Garden design
- Conservation

### **How do I enrol?**

To apply for this course online at [www.oucoursesouthwest.co.uk](http://www.oucoursesouthwest.co.uk) and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

### **How will the course be delivered?**

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

### **Will I need to practise outside the classroom?**

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

### **How will I know I'm making progress?**

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

### **What will I need?**

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

**Please note:**

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
