Learn how to transform old bags into something new and fantastic in this fun, creative workshop designed for parents and children to enjoy together.

Course Description:

Calling all crafty families! This exciting upcycling workshop provides a perfect opportunity to spend quality time with your child whilst learning a valuable new skill. You'll be guided through the process of transforming tired old bags into something brand new and fabulous, using everyday household items. The workshop is designed to encourage creativity, resourcefulness and environmental awareness, all whilst having a fantastic time together.

What will I learn?

- Techniques for transforming old bags using basic materials.
- Sewing basics suitable for beginners (optional).
- How to customise your bags to reflect your own unique style.

How will I be assessed?

This course is designed to be fun and informative, with no formal assessments. However, the tutor will be on hand to provide feedback and support throughout the workshop.

Who is this course for?

This course is perfect for parents and carers and their children, with no prior experience necessary.

Progression Opportunities:

Having gained the confidence to upcycle, you could consider taking a more advanced sewing course or explore other upcycling projects for your home. Why not upcycle some old clothes or furniture? There are endless possibilities!

Career or Job Enhancement Pathways:

This course can be a stepping stone towards a variety of creative careers, including:

- Fashion designer
- Textile artist
- Tailor/seamstress
- Upcycling business owner

How do I enrol?

To apply for this course online at www.oucoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
