Create adorable cuddly companions in this fun, 1-day workshop for parents and children.

Course Description:

Unleash your creativity and cuddle up with this adorable workshop from Stitch & Stuff! Designed for parents and children to learn the basics of sewing while creating their very own cuddly companions together. This fun and engaging workshop fosters bonding, encourages imaginative play, and provides a delightful introduction to the world of sewing.

What will I learn?

- Basic sewing techniques (running stitch, backstitch)
- Safe handling of needles and thread
- Selecting and cutting fabrics
- Stuffing techniques
- Simple embellishments

How will I be assessed?

This workshop prioritises both participation and enjoyment, ensuring a fun and engaging learning experience. Through observation and interaction, the instructor will provide formative assessment and guidance throughout, while the completed project, a cuddly friend made with love, serves as a summative assessment demonstrating the skills you've acquired.

Who is this course for?

This course is designed for families and parents/carers of all backgrounds who want to explore a fun and creative activity together. It's particularly beneficial for families looking for quality bonding experiences, parents and carers who want to introduce children to crafting, and individuals interested in learning basic sewing skills.

Progression Opportunities:

Having completed this introductory workshop, participants can explore further learning opportunities in sewing:

- **Beginner sewing classes:** Learn fundamental sewing techniques and garment construction.
- **Toy Making workshops:** Develop skills in creating more complex stuffed animals.
- **Online tutorials:** Explore a vast library of sewing techniques and project ideas at your own pace.

Career or Job Enhancement Pathways:

This course can be a stepping stone towards various creative careers or job enhancements:

- **Sewing machine operator:** Gain foundational sewing skills for a career in garment production.
- **Craft business owner:** Turn your newfound passion for sewing into a creative business venture.
- **Costume designer:** Explore the world of creating costumes for theatre, film, or cosplay.
- **Textile artist:** Develop your sewing skills as a foundation for creating unique and expressive textile artworks.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
